Notes:

If a player fails (for a reason which is not approved by the committee in charge of the competition) to return a complete score as soon as practicable after completion of their round, the round will be recorded as 'No Score – Not Approved'.

A player may discontinue play if they consider, in equity, that extreme weather conditions make it is unreasonable for them to continue. In this case they should alert the Captain or his representative and their card may be recorded as 'No Score - Approved'
